<p>Remarks: Attached are two copies of Mr. Warner's background material on proposals to establish a Joint Committee on Intelligence Matters. This material covers activities through the second session of the 86th Congress. Since that time, 13 such proposals have been introduced in the House in the 87th Congress and one proposal (Senator McCarthy) in the Senate. On 6 March the House Rules Committee, after holding hearings on the House measures unanimously voted to table the measures in that Committee. Senator McCarthy's proposal is now pending in the Senate Foreign Relations Committee.</p>
